Where most yachts have defined indoor and outdoor spaces, the BGX concept allows indoor and outdoor to flow seamlessly together throughout all areas of the yacht. This brilliant power boat represents a totally new concept of yacht: with a revolutionary design, the BGX70 features a layout never seen before in a 70-foot yacht, that perfectly combines elegant lines and wide living spaces. Awarded as Most Avant-Garde Yacht 2019, as Best Custom Yacht 2020 and as Robb Report's Best Comeback 2020, the BGX70 presents excellent nautical features, as well as the ability to tackle the sea extremely efficiently.
