Description

The Y85 is a triumph of contemporary design. Her elegant sweeping profile houses an interior sanctuary that resets the benchmark for modern living. Her flybridge offers an irresistible invitation to entertain with a large dining area opposite a well-equipped wetbar further complemented by a large aft sunpad. An expansive single-level main deck provides ample entertaining space with a flexible galley arrangement.

Three separate seating areas ensure the utmost privacy for guests with the crew able to move discretely around the yacht. With twin MAN V12 engines propelling her to a top speed of 32 knots, she flies past her contemporaries without looking back.
