## DESCRIPTION

### **Axopar 37 XC**

Axopar 37 XC Cross Cabin is a versatile and innovative boat model that challenges traditional perceptions of cabin boats by combining the functionality of outboard walkaround center-consoles with a spacious, fully enclosed weatherproofed cabin. It offers a unique blend of indoor and outdoor spaces, making every foot on board useful for socializing and practical living. The 37 XC is designed to provide comfort and safety for extended voyages in various weather conditions, offering a range of new onboard solutions and functionalities. With features like the Gullwing Door concept, large sliding canvas roof, and optional aft cabin, the Axopar 37 XC redefines the boating experience by emphasizing sociability, functionality, and comfort both inside and outside the cabin.
