

# 2008 Sunseeker Manhattan 52

USD 380,000

Length Overall	17.37 M	Engine	2 X 2008 Man MMDS-LCCAN
Beam	4.57 M	Engine Hours	1098
Draft	1.35 M	Drive Type	Shaft Drive
Cabins	3	Fuel Tank	2 x 565 l
Hull Material	Fiberglass	Water Tank	1 x 165 l
Location	Hong Kong, Hong Kong	Builder	Sunseeker

## Description

Sunseeker Yachts has risen from humble beginnings to become a Global powerhouse in yacht design & build. They are consistently developing innovative technologies to produce a collection of yachts that stand out from the rest and the Manhattan 52 range is one of the most popular sizes for boat enthusiasts who want to step up to the slightly larger higher performance range.

Sunseeker's innovations have brought it to the forefront of yacht design, with a pattern of excellence that continues today with this Manhattan 52 proving to be an extremely functional yacht, representing exceptional value for money, and with a fantastic finished interior in light oak wood.

She is a superior example of this model, with a high and sensible specification suitable for Asia cruising.

Her top listed Specifications include: Reversible air-conditioning throughout, bow & stern thrusters, hydraulic swim platform, designated flybridge helm-station, lower galley layout offering up a large salon area in it's place.

The current owner has always continued with upkeep and maintenance including a full hull re-paint.

Twin diesel 800hp engines and tunnel props deliver a highly impressive top speed and cruising range.

Recent haul out done with hull clean, antifoul & propguard applied. All service & maintenance invoices can be supplied

Viewings highly recommended onboard, or a virtual live walkthrough video can be arranged.
