Description

Available for this summer - 2011 Beneteau Monte Carlo 47 FLY

This 2011 Monte Carlo 47 FLY offers an ideal combination of elegance, space, and performance. It is equipped with twin Volvo Penta engines (435HP) and features joystick control at both helms for easier navigation.

The yacht's layout ensures a perfect onboard experience. From sunbathing on the aft swimming platform to the cockpit, it includes a sizable table that can be converted into a sunbed, along with a convenient cooking area and wet bar. Additionally, the flybridge is the perfect area for enjoying the sunset with friends.

Stepping into the salon, the natural light creates a homely atmosphere with a fully-equipped galley, perfect for hosting and entertaining guests. The yacht features one master cabin, one VIP cabin, one twin cabin, and two heads, providing comfortable accommodations for various guests.

This yacht is also equipped with a bow thruster, Raymarine navigation aids, a cockpit enclosure, a Dessalator 230V watermaker, 4 x new batteries (2023), an Onan 9kw generator, and more.

The yacht underwent full servicing in late 2023, including engine and genset service, antifouling, new aircon pump inlets valves, and a grey water tank sensor.

This 47-foot flybridge yacht is perfect for grade 2 license holders, ideal for Hong Kong waters, and is ready to set sail this summer. Please contact us for further information and to arrange a viewing!
