General Description of the Yacht

EXTERIOR

The Ruby 62 yacht stands as a renowned creation, built in Taiwan, boasting exceptional quality. Its design emphasizes both space and practicality, ensuring ample entertainment areas. The flybridge provides a spacious seating area. Well-equipped, it showcases a wet area with sink and grill. Aft on the flybridge, there's ample room for three large sunpads.

INTERIOR

the yacht offers three cabins, two bathrooms, and an additional skipper cabin with its own independent bathroom. The master cabin, spanning the full beam width, incorporates sofa seating beside the starboard-side window and a vanity desk on the port side.

Moving forward, the VIP guest cabin and the third cabin on the port side are adorned with matching colour themes. For comfort, upgraded tropical air conditioning is available throughout the yacht.
