- Updated Q LED TV's
- 1K engine hours services done
- US Duty paid

AZIMUT S10 YACHT FOR SALE

The sleek and invigorating AZIMUT S10 motor yacht is the perfect blend of form and function. A fast motor yacht that gets you to your destination with high performance and ultimate comfort, she offers guests the freedom of life on the seas. A refreshingly white interior is further bolstered by natural light that comes through oversized windows, and Italian styling gives her a modern edge that is only matched by her state-of-the-art technology.

Outdoor areas abound, encouraging pure enjoyment and leisure. Spaces were created for sunbathing, dining, relaxing, and experiencing 360-degree views of the ocean and beyond. Onboard navigation is made easy with walk-around decks that lead to the varying areas of the yacht where guests can either enjoy intimate gatherings or larger groupings.

AZIMUT S10 MOTOR YACHT EXTERIOR AREAS

A truly open flybridge is the perfect spot from which to take in the breezy views while underway and at anchor, the enjoyment of a light meal or refreshing cocktails. Her main deck aft is where most al fresco dining experiences will take place, as she comfortably accommodates numerous guests around a table surrounded with plush, built-in seating. This partially shaded space is neighbored by a lounge deck aft that features long chaises – another area to take in aft views and reach the flybridge via stairs that lead up. Just underneath the space, an enclosed transom opens to reveal the yacht's toys that can be lowered to the water from the nearly full-beam swim platform. Forward on the main deck, an outdoor bow lounge features plenty of seating around two tables, as well as sun pads on which to recline.

INTERIOR SPACES ABOARD THE AZIMUT S10 MOTOR YACHT

Despite her low profile, she boasts a voluminous interior awash in white with opposing black accouterments. Enhanced by light-toned wood, her interior is very well-lit due to her surrounding windows that bring the outside in. Her main deck interior welcomes guests to a custom wooden table faced by a full bar, and further forward, the L-shaped leather white sofa envelopes a black and white lacquered circular coffee table. The neighboring helm station is controlled by the latest navigational equipment and to port, stairs lead down to the accommodations deck.

ACCOMMODATIONS ABOARD THE MOTOR YACHT AZIMUT S10

Marked by white lacquered finishings and light-colored woods, the restorative staterooms aboard the motor yacht Marin aim to please. The master stateroom is full beam and features a lounging sofa, as well as a desk and chair that face a large window. The en suite is also bathed in light woods, giving clean lines and a minimalistic look. Following the same decorative theme, the remaining staterooms offer plenty of storage as well as private and sleek-looking facilities. With space for up to 8 guests in 4 staterooms, she also offers cabins for up to 4 crew. In addition to the master, staterooms include two VIPs and one twin – each with its own entertainment system.
