Description

The Leopard 43 Powercat is a modern, stylish, and efficient power catamaran designed to deliver both performance and comfort on the water. Measuring 13 meters (43 feet) in length, this yacht combines sleek exterior lines with spacious interiors, making it ideal for both private cruising and charter use.

One of its standout features is the innovative flybridge, which offers panoramic views, ample seating, and a helm station, creating a perfect space for socializing or enjoying open-air navigation. The wide beam ensures stability and provides generous living areas, including a bright saloon with large windows, a fully equipped galley, and multiple cabins with ensuite heads for privacy and convenience.

Built with fuel efficiency in mind, the Leopard 43 Powercat delivers impressive range and smooth performance thanks to its twin engines and lightweight design. Whether for island hopping, long-distance cruising, or entertaining guests, it blends practicality with luxury.

Key Features:

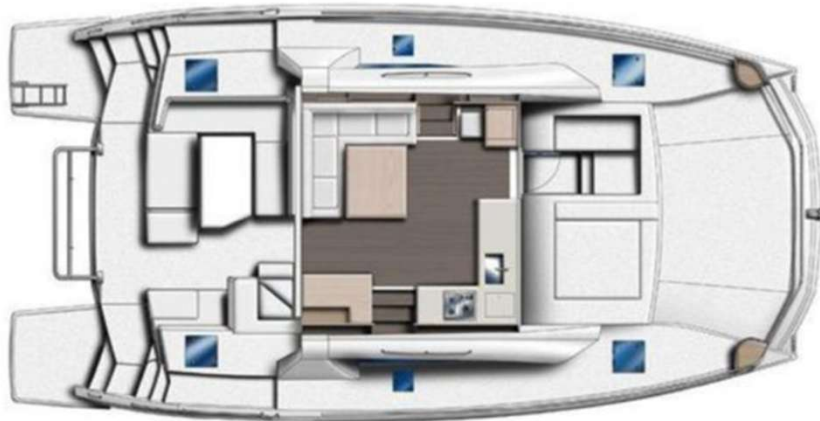

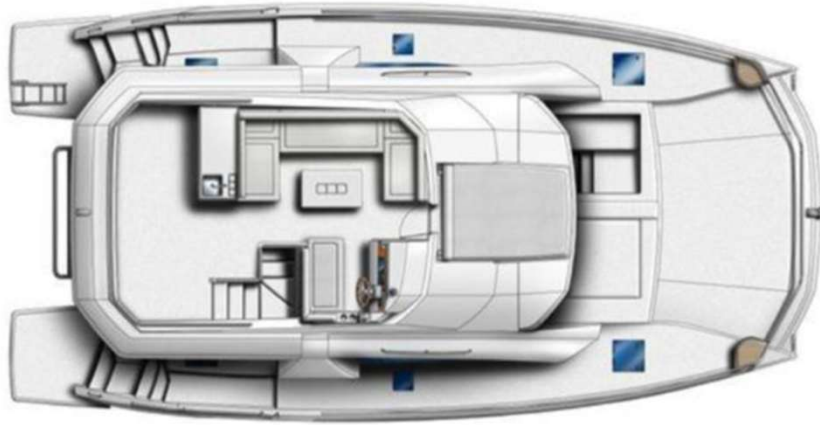

- Twin Yanmar engines (Model: 6BY3-260)
- Engine power: 194 kW (260 BHP) each
- 3 comfortable bedrooms
- 2 modern toilets
- 1 onboard genset
- Cruising speed: 15 knots
- Maximum speed: 23 knots
- Equipped with Raymarine GPS navigation system

With its balance of speed, comfort, and modern amenities, the Leopard 43 Powercat stands out as a versatile yacht that embodies both adventure and relaxation on the seas.
