Description

The Merry Fisher 1095 Coupé is a spacious and versatile 10-metre powerboat designed for comfort, performance, and unforgettable weekends on the water. Powered by efficient outboard engines, it offers smooth cruising, excellent maneuverability, and thrilling top speeds of up to 37 knots, all while maintaining fuel efficiency for extended voyages.

Sleek and modern in design, this model features three bright cabins, including a generous owner's suite with ample storage, a convertible saloon, and a fully equipped galley for effortless onboard dining. The contemporary interior is filled with natural light, thanks to large hull windows and a well-ventilated wheelhouse offering panoramic visibility.

Entertainment is made easy with a spacious cockpit saloon, wide side decks for safe movement, and integrated swim platforms for seamless access to the sea. The advanced helm station is outfitted with state-of-the-art navigation equipment, ensuring confident cruising in all conditions.

With its clever layout, premium equipment, and outstanding sea-keeping abilities, the Merry Fisher 1095 Coupé is ideal for families, couples, or seasoned boaters seeking adventure, relaxation, and the ultimate freedom on the open water.
