Location	Phuket, Thailand	Builder	Jeanneau

Description

Available for sale from Phuket in Thailand, *Raincloud* is a comprehensively specc'd Jeanneau 57 featuring an Owner's layout.

Recently resprayed with Awl craft paint, the yacht presents very well and has a new aft bimini.

Raincloud has racing sails and white delivery sails, a genset, full-boat air conditioner, and her batteries have been replaced with Lithium batteries.

She features a master suite forward as well as two cabins aft that can conveniently be set up as either four single berths or two queen-sized cabins.

This elegant offshore cruiser boasts an exceptional interior and deck plan designed with ease of handling in mind. Every detail has been conceived to offer the highest quality cruising experience. If racing in local regattas is your thing, *Raincloud* performed well in a King Cup regatta some years ago.

Her timeless contemporary interior reflects Jeanneau's attention to detail in the marine field with solid wood accents and light wood finishes throughout.
