Description

The 2019 Leopard 45 is used by original owner for personal use only. It was delivered in 2020. This Leopard is equipped with Northern Lights 9KWA generator, Dometic Air Conditioning (one system per hull), Refrigerator / Freezer, Raymarine Comm and Nav systems (Axiom plotter, Radar).

The yacht is located in Manila Yacht Club, Philippines . The reason for selling is upgrading.

Key Features:

- **Forward Cockpit:** A signature feature of Leopard catamarans, the forward cockpit offers a separate entertainment space and an alternative passage from the foredeck to the aft deck.
- **Enhanced Visibility & Flow:** A translucent door connects the forward cockpit to the saloon, creating an open-plan feel and excellent visibility for the helm.
- **Flexible Cabin Layouts:** Available in either a 3 or 4-cabin configuration, with spacious owner's suites and well-appointed guest cabins.
- **Raised Helm Station:** The helm station is elevated and covered by a hardtop bimini, providing direct access from the cockpit.
- **Efficient Sailing & Handling:** Electric primary winches, sail lines routed to accessible winches, and a modern, angular exterior design contribute to performance and ease of use.
- **Ample Storage:** The design features plentiful below-deck storage, including hanging space, drawers, and under-floor areas.
- **Modern Interior:** The saloon includes a forward-facing galley and dinette, offering great views.

With uncompromised and exceptional build quality, and a pedigree of over 1500 blue water catamarans, Leopard has set the standard for cruising catamarans.

Despite its larger living areas and its higher level of sophistication, the Leopard 45 is faithful to its pedigree of robust, easy to maintain, easy to maneuver, blue water catamarans.
