PEN MARINE

Description

The 1995 Ferretti 175 Fly is a superb example of Italian yacht building, offering a perfect balance of elegance, performance, and practicality. She provides generous interior spaces and expansive outdoor areas ideal for leisure and entertainment.

Powered by 2 × MTU 1000 hp engines (refreshed in 2025), she delivers smooth cruising performance and excellent maneuverability. With a fuel capacity of 3,400 L and a water capacity of 900L, she is designed for extended trips and comfortable long-range cruising.

Her interior layout accommodates up to 8 guests in 4 cabins, a spacious master with a double berth and three twin cabins, all with ensuite bathrooms. Large saloon windows ensure bright, airy living spaces, while the flybridge offers commanding views and ample seating for guests.

Key Features:

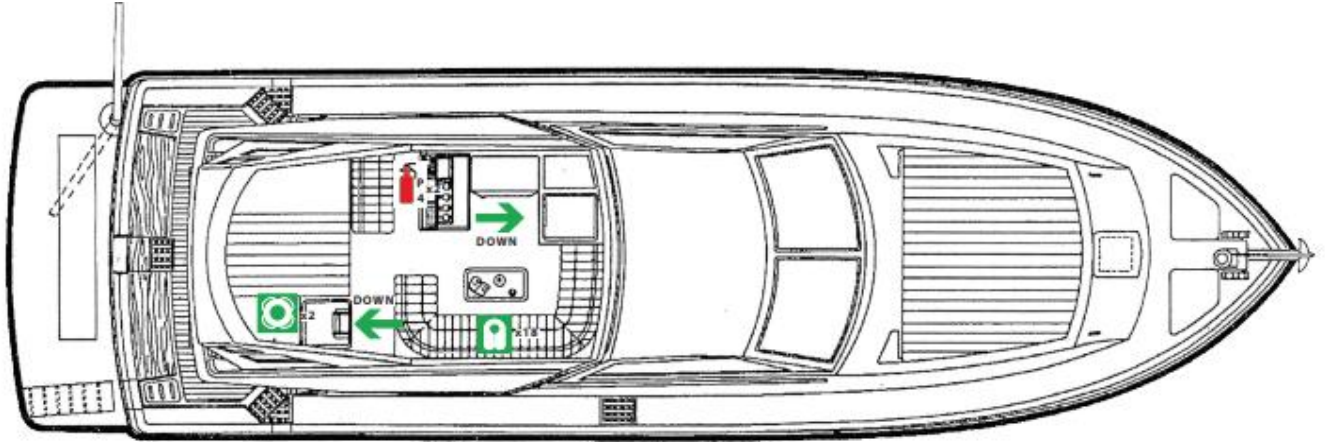

- **Built for Charter:** Designed with a spacious layout and robust construction, perfect for guest comfort and easy maintenance.
- **Spacious Flybridge:** Expansive area with seating, sunbathing space, and panoramic views for entertaining.
- **Wide Beam:** Provides generous interior volume and deck space, enhancing comfort for all onboard.
- **Meticulously Maintained:** Engines refreshed in 2025, with full-service records and proactive upkeep on all systems.
- **Turnkey Charter Opportunity:** Ideal for operators seeking a ready-to-go yacht for private or commercial use.

Whether for luxury cruising with family or a profitable charter venture, this Ferretti 175 Fly delivers style, performance, and comfort in one exceptional package.
