## Description

The Boston Whaler 370 Outrage is a flagship center console that perfectly balances offshore performance, refined comfort, and fishing capability. Built with Whaler's legendary unsinkable fiberglass hull and powered by triple Mercury Verado outboards, it delivers exhilarating speed, precise handling, and complete peace of mind at sea.

Measuring 37 feet in length with a spacious 11'6" beam, the 370 Outrage offers generous deck space for both serious anglers and family outings. The cockpit is outfitted with large in-deck fish boxes, dual live wells, rod holders, and a bait-prep station, while the forward lounge with an electric table easily converts from a dining area to a sun pad.

A stylish hardtop with integrated frame and retractable shade adds protection and versatility. Below deck, the well-appointed cabin features a convertible double berth, galley conveniences, and a fully enclosed head with shower.

### Key Features:

- Spacious cockpit with dual live wells, in-deck fish boxes, and rod holders
- Forward lounge with electric lift table converting to sun pad or dining area
- Helm with triple seating, advanced electronics, and optional joystick piloting
- Hardtop with integrated frame and retractable sunshade

With a design that's equally suited for sportfishing or luxury cruising, the 370 Outrage is a statement of performance, safety, and style on the water.
