## Description

Crafted by Azimut-Benetti in 2021, SIERRA represents the essence of modern yachting luxury. Her sleek silhouette and refined interior design create an inviting atmosphere that seamlessly connects indoor and outdoor spaces.

With accommodation for 8 guests in 4 stylish cabins and 2 crew, SIERRA ensures every journey is both comfortable and exclusive. Her powerful engines deliver a thrilling top speed of 35 knots, combining dynamic performance with graceful handling.

From her striking bow to her spacious decks, SIERRA embodies elegance, innovation, and Italian artistry, a true statement of luxury on the sea.

### Key Features:

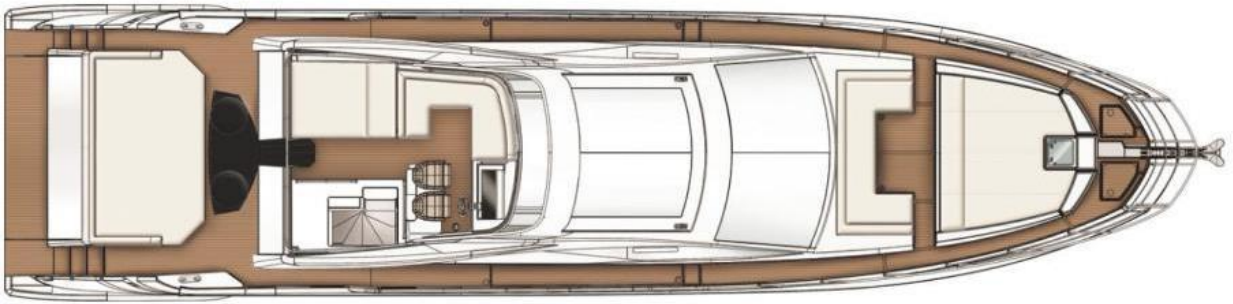

- **Innovative Carbon-Tech Construction:** lightweight yet exceptionally strong for superior performance and fuel efficiency.
- **Expansive Panoramic Windows:** flood the interior with natural light and provide stunning ocean views from every angle.
- **Seamless Open-Plan Layout:** connects salon, dining, and cockpit areas for a true indoor–outdoor experience.
- **Dynamic Bow Design:** enhances hydrodynamics and adds a striking, modern aesthetic.

SIERRA redefines contemporary yachting, delivering the perfect balance of luxury, performance, and Italian craftsmanship for those who seek an exceptional experience on the water.
