Description

The Samana 59 is the ultimate expression of luxury, performance, and space on the water. Designed with French elegance and innovation, this 59-foot flagship catamaran balances adventure with comfort, offering unforgettable sailing experiences for families and friends alike. Her expansive flybridge, spacious cockpit, and elegant saloon with panoramic views create the perfect atmosphere for both lively gatherings and peaceful escapes. With cutting-edge energy solutions, reliable performance, and refined living spaces, the Samana 59 is built to deliver a lifestyle of freedom and sophistication at sea.

Key Features:

- **Largest Flybridge in Class:** 30 m² of open-air space with modular sunbathing and lounge areas.
- **Expansive Cockpit:** 27.5 m² designed for seamless indoor-outdoor living.
- **Elegant Salon & Galley:** Bright, modern, and versatile with panoramic views.
- **Unmatched Sailing Versatility:** Equipped with mainsail, staysail, genoa, gennaker, and parasail.
- **Proven Performance:** Twin Volvo 150 engines, ONAN 17k genset, and over 30,000 nautical miles sailed.
- **Energy Independence:** 7,400W solar panels and 8 lithium-ion batteries (nearly 40 kW).
- **Global Connectivity:** Starlink high-speed internet for staying connected anywhere.
- **Luxury Cabins:** Spacious ensuite accommodations with excellent lighting and storage.

A catamaran that redefines blue-water cruising, the Samana 59 offers the perfect blend of elegance, performance, and independence for discerning sailors worldwide.
