Description

The 2014 Azimut 86S is a stunning masterpiece, renowned as the most powerful model in the Azimut lineup, capable of reaching exhilarating speeds of up to 44 knots. This sport yacht boasts state-of-the-art engines and advanced propulsion systems, delivering unprecedented performance that sets it apart from others in its class.

The hull is ingeniously constructed from a combination of carbon and aramid fibers, ensuring both compactness and light weight characteristics without compromising strength or durability. This innovative design not only enhances speed but also contributes to the yacht's exceptional handling and responsiveness on the water.

The elegantly designed lines of the Azimut 86S embody power and dynamism, making a striking visual statement that turns heads wherever it goes. Inside, the driving experience is fluid and intuitive, allowing even novice captains to feel at ease while navigating this powerful vessel.

Every aspect of the Azimut 86S has been meticulously crafted to maximize enjoyment and control, providing an exhilarating sense of freedom on the open sea. From its sleek exterior to its luxurious interior, this yacht offers a complete experience for those who appreciate the finer things in life. With its unmatched blend of performance, style, and comfort, the 2014 Azimut 86S is a true standout in the world of luxury sport yachts.

On the lower deck of the Azimut 86S, in addition to the VIP forward cabin, there are two further guest cabins with separate beds and a full-beam master suite decorated with traditional square windows. And underneath the salon is a modern kitchen with a dining area and adjoining crew cabin.
