## Description

This rare 2020 Ferretti 670 is now available on the market. It's almost brand new and ready to be enjoyed by her new owner. The current owner is very passionate about boating and has kept this vessel in pristine condition. Well taken care of by captain and crew, this beautiful yacht is a steal. The standout feature among her is the optimal use of space, inside and out, assuring a perfect blend of conviviality and privacy for the owner and guests.

The Ferretti Yachts 670 is actually a 67-footer (measuring 20.24 m), albeit with amenities typical of rather larger craft. This design philosophy emerges clearly in the layout: the standard version vaunts 3 generous cabins on the lower deck, and the imaginatively arranged master cabin has an antechamber that acts as a roomy study with writing desk, now an iconic element of this yacht.

Fully loaded with two Seakeeper gyro stabilizers, hard top, hydraulic platform, tropical air conditioning and beautifully appointed - Italian luxury and style at its best.

Her upgraded twin 1200 HP engines will cruise at 28 knots and hit a maximum speed of 32 knots to get you to your destination faster.

Located in the Philippines, she can be bought there locally or sailed and shipped to her new owner's desired destination.

**Full technical specifications and equipment options are available will be sent by request.**

Contact your yacht broker today and don't miss out on this one of a kind yacht.
