Description

This superb 2012 Princess 64 is the embodiment of a modern flybridge yacht with a perfect balance of performance, efficiency and luxurious accommodation. Dine in her spacious cockpit or entertain on the flybridge with a well-appointed wetbar and dining area that can comfortably accommodate eight guests. Her interior encapsulates the quality of design and craftsmanship you can expect from this marque. The raised dining area opposite the fully-equipped galley on the main deck is perfect for entertaining friends and family.

Below deck, her four cabins sleeping 8 guests are luxuriously appointed, with the full beam master stateroom providing enviable views through the large side windows. Professionally crew-maintained, she has to be one of the best examples on the market today.

She boasts a full Simrad package including radar, chart plotter and GPS. Features a hydraulic/electric swim platform that serves as the tender storage and launching system. The salon incorporates the entertainment area, a dining table that comfortably seats eight, an open galley and lower helm in one seamless space. A pop-up TV is aft, facing a U-shape lounge with cocktail table. Enjoy music through BOSE stereo system in the saloon and master cabin and Fusion bluetooth system on the flybridge.

Powered by the popular and easy to maintain anywhere direct (shaft) drive twin 1150 HP Caterpillar C18-ACERT engines, she is ready to take you to exotic destinations in comfort and style. There is a watermaker, washer/dryer, dishwasher, bow and stern thrusters, powerful 17.5kW Onan generator, hydraulic passarelle, tropical strength air conditioning, air conditioned crew quarters with two berths and wet head - she is a very well equipped yacht in turnkey condition. And being a Princess she will hold her value if maintained correctly.

Princess Yachts like this are rarely for sale in the Philippines so be quick to secure her!
