Description

A lovely example of the Sunseeker 73 which has undergone a series of cosmetic refitting to reinstate her inner beauty. These include but not limited to a change of carpets, refitting the saggy ceilings, and replacing the galley refrigerator. The yacht is spacious in the saloon with elegant finishing throughout. Extra large outdoor space at the bow, in the cockpit and on the flybridge. Seakeeper gyroscopic stabiliser for maximum comfort whilst underway. Very low usage and she is priced to sell. Book a viewing today!

- Teak Cockpit
- Cockpit Shower
- Cockpit Cushions
- Swimming Ladder

Manufacturer Provided Description

The Manhattan 73 is defined by its ingenious use of space. The vessel enjoys increased volume not just by length but courtesy of the broad beam that's carried lower in the hull. This enables a third full-size stateroom on the lower deck, plus plenty more headroom throughout. The main saloon is now also on one single, sweep-through level, providing a vast entertainment space. Finally, for ultimate maneuverability, there is the option of joystick control, dramatically simplifying docking.

Engine and Generator Hours

Engine hours (Port / Starboard): 534 hours / 337 hours

Generator hours (Port / Starboard): 2,066 hours / 2,267 hours

(Engine and Generator hours as of December 2022)
