## Description

The **Custom Line Navetta 30** is a new-generation luxury yacht that redefines comfort and elegance on the water. At 93 feet, it offers expansive living spaces across multiple decks, blending timeless Italian design with advanced marine engineering.

Guests are welcomed into interiors curated by **Filippo Salvetti**, where natural light, refined materials, and contemporary styling create an atmosphere of sophistication. With five guest cabins and generous crew quarters, the Navetta 30 ensures privacy and luxury for all on board.

Powered by twin MAN engines, the yacht delivers smooth cruising at 13 knots, supported by advanced stabilization systems for ultimate comfort. More than a vessel, the Navetta 30 is a floating villa — designed for long-range voyages and unforgettable experiences.

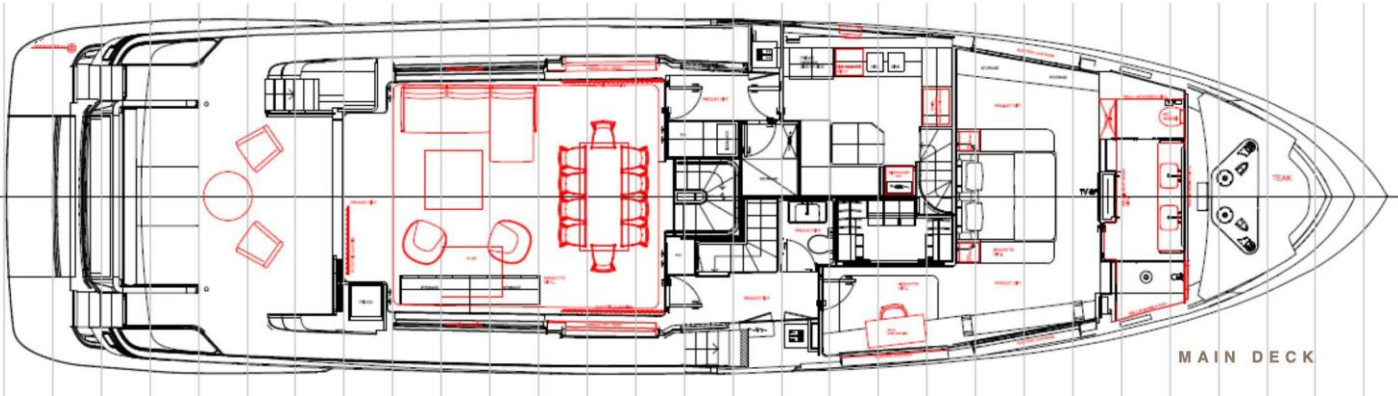

### Key Features
