Location	CEBU CITY, PHILIPPINES	Builder	LAGOON

Description

The Lagoon 620 Essence is a flagship sailing catamaran that combines luxury, performance, and space in perfect harmony. At 62 feet with a beam of 10 metres, she offers remarkable stability and expansive living areas across cockpit, flybridge, and foredeck. Privately owned since new and professionally maintained, this vessel presents in near-new condition and is one of the best equipped Lagoon 620 Essence models available.

Her interiors are bright and airy, finished with Italian leather furnishings and premium detailing throughout. The open-concept saloon and dining area are flooded with natural light from panoramic windows, creating a warm and inviting atmosphere. This version accommodates up to ten guests in **five staterooms**, four of which feature ensuite bathrooms, ensuring privacy and comfort for all on board. A dedicated crew cabin and forepeak storage areas further enhance practicality for long voyages.

On deck, the Lagoon 620 Essence offers multiple outdoor living spaces: a spacious flybridge with dual helm stations, a hydraulic swim platform for easy water access, and a foredeck designed for relaxation or entertaining. She is equipped with tropical-strength air conditioning, upgraded navigation systems, dive compressor, and comes with a Highfield tender.

 A proven blue-water catamaran, this Lagoon 620 Essence delivers the perfect blend of style, seaworthiness, and comfort. Currently lying in Norway, she can be delivered to the Mediterranean free of charge by the owner's full-time crew — an exceptional opportunity for discerning buyers.
