Description

Azimut Grande 25 Metri – Nautic Beast

This Azimut is perfect balance of style, comfort and functionality. This flybridge motor yacht is managed professionally by a team of 4 people and it is superb condition. The yacht was built in 2020 and fitted with 2 MAN engines.

Much Relaxation

On the exterior of the boat, there is an expansive deck area that is perfect for relaxation and entertainment. The flybridge offers a spacious sunbathing area, a wet bar and a dining space, making it an ideal spot for alfresco dining or socializing with friends and family. The aft cockpit provides additional seating and lounging options, while the foredeck is equipped with sunpads for sunbathing and enjoying the ocean breeze.

Bright and Stylish

The interior of the boat, finished with light cream-colored soft furniture and vivid red-colored fixtures, gives the boat a lively and harmonious feeling. All the corners on walls and pillars are bullnose (rounded) corners, this design feature made the boat look more refined and stylish. The large saloon offers ample living room space and there is a dining area that can accommodate 8 diners.

Homecoming

The 4 cabins are on the lower deck of the boat. The cabins are very spacious ensuite bedrooms and can accommodate 8 guests in total.

Stable

For better stability, the boat comes with 2 fin stabilizers as standard. The current owner has custom-fitted 2 more QUICK MC2 stabilizers for better stability when cruising and when the boat is anchored.
