Description

Experience the future of luxury yachting aboard the **Sunreef 80 Eco – Marie Joseph**. Built by the prestigious Sunreef Yachts, this remarkable 24-meter catamaran blends sustainable innovation with unmatched comfort and style. Powered by twin 180 kW electric motors, Marie Joseph delivers a smooth, silent cruising experience, reaching speeds of up to 12 knots while minimizing environmental impact.

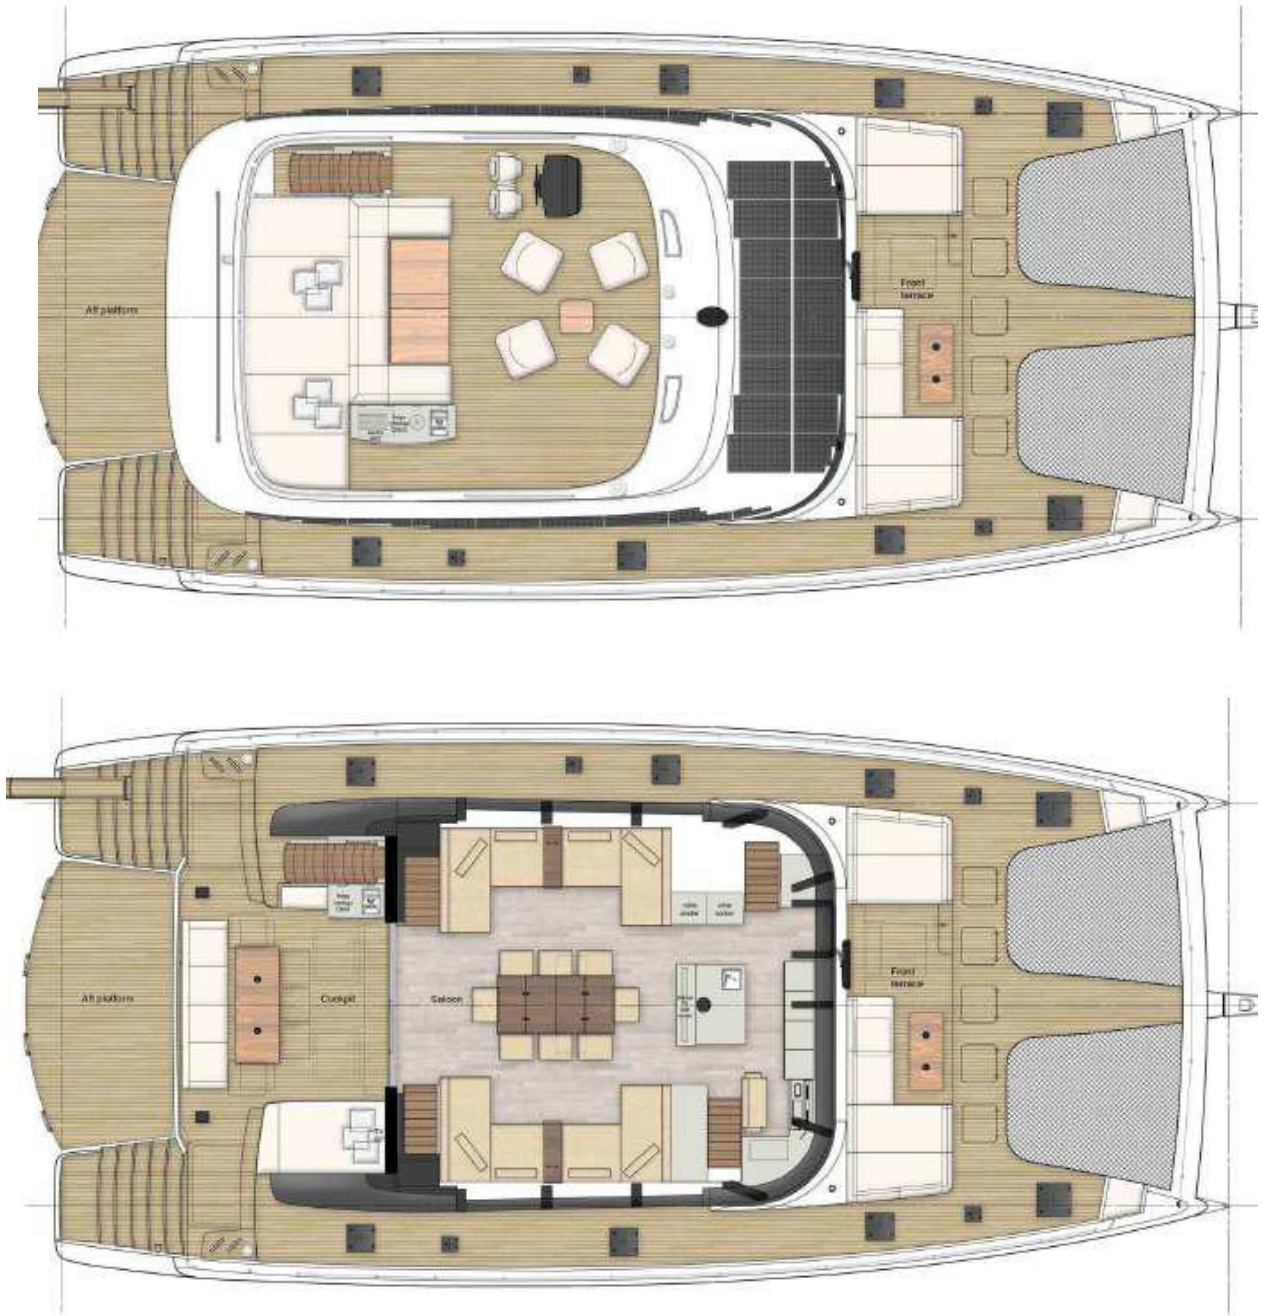

Step inside to a world of refined elegance. The spacious main salon, filled with natural light, features a sophisticated lounge area, a stylish bar, and a modern helm station—perfect for entertaining guests or relaxing in pure comfort. The luxurious master suite offers a private sanctuary complete with an elegant ensuite bathroom, while four beautifully designed guest cabins and a dedicated crew cabin ensure that everyone on board enjoys exceptional comfort and privacy.

Outside, Marie Joseph truly shines. The expansive flybridge provides breathtaking panoramic views, the generous aft deck is ideal for sunset dining and social gatherings, and the serene bow lounge invites you to unwind while surrounded by the beauty of the open sea.

More than just a yacht, the Sunreef 80 Eco – Marie Joseph represents a new era of eco-luxury cruising—where cutting-edge technology, sustainability, and world-class comfort come together to create an unforgettable experience on the water.

Step aboard and discover the ultimate way to explore the ocean in style.
