## Description

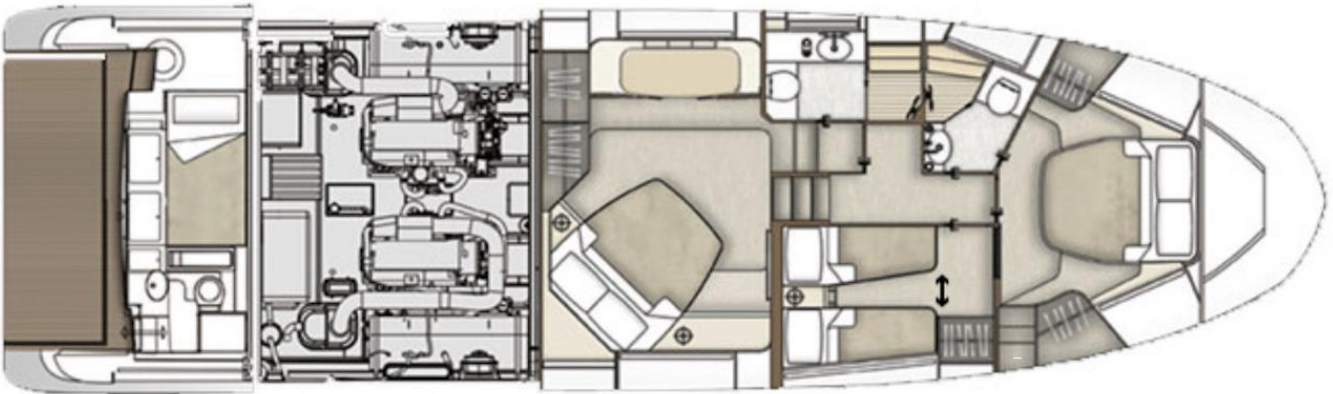

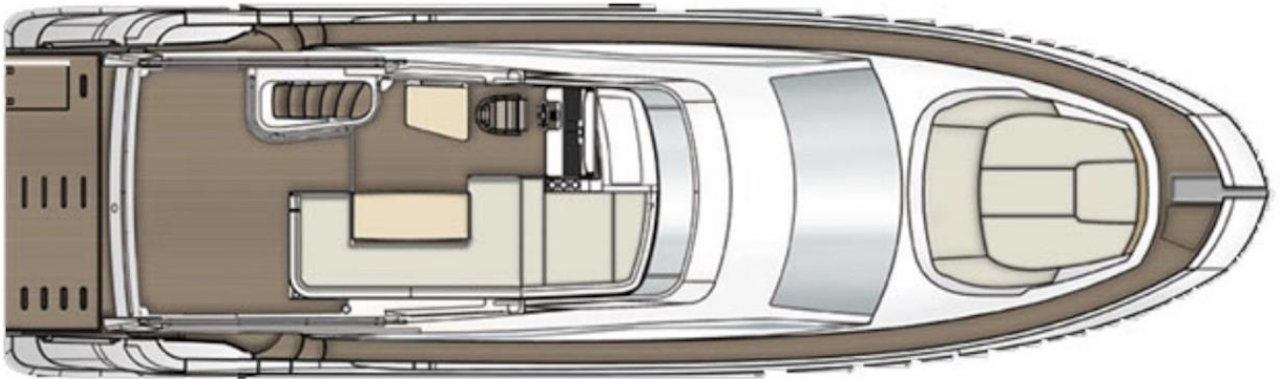

The **2019 Azimut 55 Flybridge** is a superb example of Italian craftsmanship, combining sleek exterior styling with luxurious interior design. Conceived by renowned designer **Stefano Righini** and finished with interiors by **Carlo Galeazzi**, this yacht embodies elegance and sophistication at every level. Measuring 55 feet, she offers a spacious layout with **three ensuite cabins**, including a full-beam master suite that ensures privacy and comfort for owners and guests alike.

Powered by **twin MAN i6-800 engines**, complemented by **ZF joystick control**, the Azimut 55 delivers agile handling and effortless maneuverability, making her equally at home on coastal cruises or extended voyages. Her engineering reflects Azimut's reputation for robust build quality and reliable performance, ensuring peace of mind for discerning owners.

Entertainment and relaxation are at the heart of this yacht's design. The expansive **flybridge** features a wet bar and generous seating, perfect for social gatherings under the sun. The **oversized cockpit** provides a welcoming space for alfresco dining, while the **bright saloon** offers panoramic views and a seamless connection to the outdoors. Every detail has been carefully considered to enhance onboard living, from the refined finishes to the intelligent use of space.

This Azimut 55 represents **exceptional value in the luxury yacht market**, offering a rare combination of pedigree, performance, and comfort. Whether for family cruising, entertaining friends, or enjoying quiet moments at sea, she delivers a sophisticated lifestyle with unmistakable Italian flair.
