Description

The Prestige 520 Flybridge Motor Yacht is designed to deliver a refined balance of elegance, comfort, and performance. Its sleek profile and contemporary lines are complemented by expansive panoramic windows that flood the interior with natural light, creating a warm and inviting atmosphere. The flybridge offers generous space for entertaining, with multiple seating areas, a sun pad, dining table, and wet bar, making it the perfect setting for social gatherings at sea.

Inside, the yacht features three well-appointed guest cabins that comfortably accommodate up to six guests, each finished with premium materials and thoughtful storage solutions. The master suite enjoys private access and panoramic views, while the VIP and guest cabins provide versatile arrangements for family and friends. The aft galley connects seamlessly to the cockpit, enhancing the flow between indoor and outdoor living spaces.

Powered by advanced Volvo IPS pod drives and equipped with stabilizer technology, the Prestige 520 ensures smooth handling, efficient cruising, and exceptional comfort underway. With its combination of modern design, spacious layout, and premium features, this yacht is ideal for owners seeking both luxury and practicality in a flybridge motor yacht.
