Description

The 2017 Absolute Navetta 58 perfectly combines Italian craftsmanship, innovative design, and long-range cruising capability. Designed to maximize comfort and onboard living, she features expansive panoramic windows that flood the interior with natural light, creating the feeling of a much larger yacht.

Her spacious layout offers three luxurious guest cabins, including a full-beam master suite, a forward VIP cabin, and a twin guest cabin, complemented by a separate crew cabin for added privacy. The open-plan saloon seamlessly connects to the aft cockpit through large sliding glass doors, while the flybridge provides an exceptional entertainment area complete with a wet bar, BBQ, dining space, and generous sunbathing areas.

Powered by twin Volvo Penta IPS engines with joystick docking, the Navetta 58 delivers smooth, efficient cruising, outstanding maneuverability, and impressive fuel economy. Wide side decks, high bulwarks, and thoughtfully designed handrails enhance safety and ease of movement, making her ideal for family cruising or extended voyages.

Whether cruising coastal waters or embarking on longer adventures, the Absolute Navetta 58 offers an outstanding balance of luxury, performance, and practicality, making her one of the most desirable flybridge motor yachts in her class.
