Description

The 2017 Azimut 66 perfectly combines Italian elegance, exceptional performance, and luxurious comfort, making it an outstanding choice for discerning yacht owners. Designed by renowned Italian shipyard Azimut Yachts, this 66-foot flybridge motor yacht features sleek contemporary styling, expansive living spaces, and premium craftsmanship throughout.

The spacious flybridge is ideal for entertaining, offering generous seating, a wet bar, sun loungers, and panoramic views. Inside, the bright and sophisticated salon is complemented by large windows that flood the interior with natural light, while the fully equipped galley provides everything needed for extended cruising.

Accommodating up to eight guests in four beautifully appointed cabins, the Azimut 66 features a full-beam master suite amidships, a VIP forward cabin, a twin guest cabin, and a bunk cabin, all with elegant finishes and ample storage. Crew quarters with separate access ensure privacy and convenience.

Powered by twin Caterpillar C18 ACERT diesel engines, the yacht delivers smooth, reliable performance with impressive cruising capabilities. Advanced navigation systems, a hydraulic swim platform, bow and stern thrusters, and premium onboard amenities make handling effortless and enhance every journey.

Whether cruising with family, entertaining guests, or embarking on long-distance adventures, the 2017 Azimut 66 offers a refined yachting experience that seamlessly blends luxury, comfort, and performance.
