Description

The 2019 Prestige 630 is a beautifully designed flybridge motor yacht that perfectly blends French elegance, innovative design, and exceptional cruising performance. With its spacious layout, luxurious finishes, and intelligent use of space, the Prestige 630 offers an outstanding yachting experience for both family cruising and entertaining guests.

The expansive flybridge features comfortable lounge seating, a wet bar, sun pads, and a dining area, providing the ideal setting for relaxing or enjoying panoramic views. The bright and airy main salon is surrounded by large windows that fill the interior with natural light, while the aft galley seamlessly connects the cockpit and salon, creating an inviting social space.

Accommodating up to six guests in three elegantly appointed cabins, the Prestige 630 boasts a full-beam owner's suite with a private staircase, a spacious VIP forward cabin, and a twin guest cabin. Separate crew quarters with independent access offer additional convenience and privacy.

Powered by twin Volvo Penta IPS 950 engines with joystick control, the Prestige 630 delivers outstanding maneuverability, fuel efficiency, and smooth cruising performance. Advanced navigation electronics, a hydraulic swim platform, bow thruster, generator, air conditioning, and premium onboard amenities ensure effortless operation and exceptional comfort on every voyage.

Whether you're planning weekend escapes, extended coastal cruising, or entertaining family and friends, the 2019 Prestige 630 delivers a perfect balance of luxury, performance, and innovative design, making it one of the most sought-after flybridge yachts in its class.
