Description

- The **2017 Princess 52** is a stylish and versatile luxury motor yacht that combines Princess Yachts' renowned British craftsmanship with excellent cruising performance and exceptional onboard comfort. Designed with a sleek, contemporary profile, she offers an impressive amount of space for her size, making her equally suitable for family cruising, entertaining, and extended weekends on the water. Large hull-side windows and expansive glazing throughout the yacht create a bright and open atmosphere while giving guests excellent views of the surrounding seascape.
- The spacious aft cockpit provides a comfortable area for outdoor dining and entertaining, with easy access to the bathing platform for enjoying water activities. Forward, the generous foredeck provides an additional private area for sunbathing and relaxing while at anchor. The **flybridge** is one of the yacht's highlights, offering an elevated helm station, comfortable seating, and generous lounging space, making it an ideal area for enjoying panoramic views and spending time with family and friends.
- Inside, the Princess 52 features a refined and contemporary interior designed around comfort and practicality. The main saloon benefits from large windows that allow plenty of natural light into the living space, while the open-plan arrangement creates a seamless connection between the saloon, dining area, and exterior deck. The well-appointed galley is designed for practical onboard use, while the spacious accommodation provides a comfortable environment for longer cruising trips.
- The Princess 52 is designed to deliver a smooth and confident cruising experience, with a hull engineered to provide a good balance of performance, stability, and efficiency. Her twin diesel-engine configuration offers strong acceleration and dependable performance, while the yacht remains easy to handle for both experienced owners and professional crews.
- Overall, the **2017 Princess 52** is an excellent choice for those looking for a premium flybridge motor yacht with an attractive combination of **British craftsmanship, modern styling, spacious living areas, and strong cruising capability**. Her generous outdoor spaces, comfortable interior, and practical layout make her well suited to family cruising, island-hopping, entertaining, and extended stays aboard.
