Description

- The **2015 Prestige 550** is a sophisticated flybridge motor yacht that combines elegant French design, spacious accommodation, and impressive cruising performance. Designed by **Prestige Yachts**, she offers a refined balance between comfort and practicality, making her an excellent choice for family cruising, entertaining, and extended stays aboard. Her sleek exterior profile is complemented by large panoramic windows that bring abundant natural light into the interior while providing excellent views from the main living areas.
- The yacht features generous outdoor spaces designed for enjoying life on the water. The spacious aft cockpit provides an ideal setting for alfresco dining and socialising, while the foredeck offers a comfortable area for relaxing and sunbathing. The well-appointed flybridge provides an elevated helm position together with ample seating and lounging space, creating a versatile area for entertaining guests or enjoying the views while underway.
- Inside, the Prestige 550 offers a bright and welcoming interior with an open-plan saloon and dining area. The large windows create a spacious atmosphere and connect the interior with the surrounding seascape. The yacht's thoughtfully designed layout provides comfortable accommodation and good separation between living and private areas, making her well suited to both short getaways and longer cruising adventures.
- Powered by **twin Cummins QSC8.3 diesel engines** with **shaft drive**, the Prestige 550 delivers dependable and efficient performance while maintaining excellent manoeuvrability. The combination of a proven hull design and powerful twin-engine configuration provides a comfortable cruising experience and the confidence needed for longer passages. Her relatively shallow draft also allows access to a wide range of coastal cruising destinations.
- Overall, the **2015 Prestige 550** offers an attractive combination of luxury, functionality, and performance. With her spacious flybridge, generous outdoor areas, comfortable interior, and reliable Cummins propulsion, she is an excellent choice for owners seeking a versatile motor yacht for family cruising, island-hopping, entertaining, and extended time on the water.
