Description

- The **2022 Monte Carlo MC52** is an elegant and contemporary flybridge motor yacht that combines refined French design, impressive performance, and exceptional comfort for cruising and entertaining. With a sleek exterior profile, generous beam, and large panoramic windows, the MC52 creates a bright and spacious atmosphere throughout the yacht. Her well-designed layout makes excellent use of the available space, providing generous areas for relaxation both inside and outdoors while maintaining a sophisticated and luxurious appearance.
- The expansive flybridge is one of the yacht's key features, offering a dedicated helm position together with comfortable seating, sunbathing areas, and space for guests to enjoy the open air while underway or at anchor. The aft cockpit provides another versatile social area, ideal for outdoor dining, relaxing, or enjoying the surrounding views. Large opening doors connect the cockpit with the main salon, creating a seamless indoor-outdoor living environment that is particularly well suited to entertaining.
- Inside, the main salon features a modern and elegant interior with large windows that allow plenty of natural light into the living space. The practical galley and dining areas are arranged to provide comfort while cruising, while the lower accommodation level offers a **3-cabin layout** designed for longer stays onboard. The cabins provide comfortable private accommodation for family and guests, supported by well-appointed bathroom facilities and thoughtful storage throughout the yacht.
- Powered by twin **Volvo Penta IPS engines**, the Monte Carlo MC52 offers smooth and responsive handling together with excellent manoeuvrability. The IPS propulsion system also contributes to a comfortable cruising experience and makes the yacht easier to handle in confined waters and during docking. Overall, the **2022 Monte Carlo MC52** is an excellent combination of luxury, practicality, performance, and contemporary styling, making her well suited for coastal cruising, extended getaways, and entertaining with family and friends.
